MEET JOHN:

At 13 I got my first camera as a Christmas present from my Dad. In order to build up a portfolio I practiced for years on family pets & friends.

In 2014 I started to take Photography seriously and realised I have found my passion. My business was born shortly after. I have worked with many different clients none of whom proclaimed to love their photo being taken.

Based out of Southend on sea, Essex because I love being near the water!

A FEW OF MY FAVORITE THINGS:

FOOD: FISH AND CHIPS

STORE: DIESEL & G-STAR

SHOES: GUCCI LOAFERS

DRINK: A COLD BEER.

MUSIC: CLASSICAL & R n b

WHAT WE'RE ALL ABOUT:

Getting married is one of the most exciting times of your life! It's a time to reflect and a time to look forward to everything that's to come. You're probably overwhelmed with all the wedding information out there, but don't worry; you are not alone. We are here to help!

The information in this planning guide is meant to help you through all of your photography-related questions, so you can be relaxed and excited for your big day.

I have spent years finding the perfect locations, poses, and lighting techniques that show off our clients naturally & beautifully. Hours and hours have been spent researching the best looks, hair & makeup tips, and wardrobe ideas that ensure a look that's polished and professional.

Snapping a photo is easy, but directing a client and leading them confidently throughout their shoot is something entirely different. This is something we not only strive to do - we guarantee it with each and every client who graces the front of our cameras.

We work with each of our couples to create a unique portrait session they will be proud of YEARS after we are finished photographing! Instead of following trends, we have worked hard to create a style of our own that is sophisticated and timeless. No detail is left to chance. Our vendors are all seasoned professionals who have been hand-selected by Lock-year Wedding Photography.

Our goal is to be there every step of the way as we capture your story. From the initial consultation to handing over the final, printed pieces from your session, and wedding day. We will guide you through an experience that is memorable for years to come.

They say a picture is worth a thousand words. I believe each photo holds a thousand memories, too.

If you are planning a destination wedding, I love to travel and have experience photographing couples near and far! Ask about our premium collections for domestic and international weddings.

PHOTOGRAPHER. HE SEEMS LIKE A PART OF THE FAMILY NOW.”**

**“BECAUSE
EVERY
MOMENT
COUNTS”**

WEDDING DAY DETAILS:

Gather all your details before the day starts so I can photograph them quickly! This makes the getting-ready portion of the day go by much more smoothly and it allows me to spend more time focusing on the spontaneous moments when everyone is together. This list is mainly for the ladies but same advice goes for the groom and groomsmen.

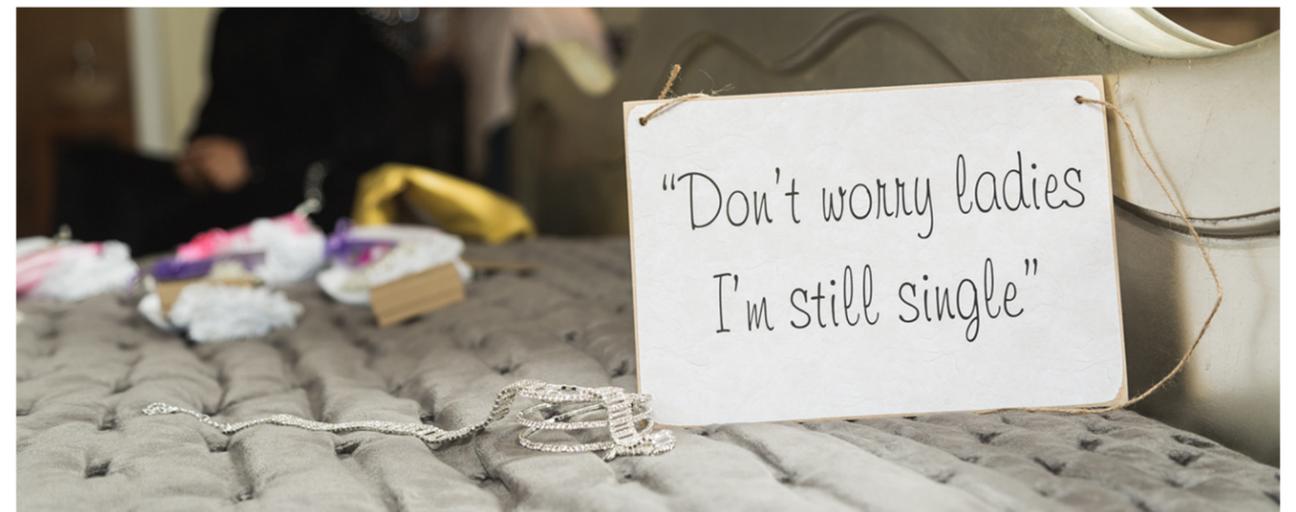

WHAT TO BRING:

Rings, jewelry, hair pieces, flowers, shoes, socks, cuff links, socks, letters, pictures, gifts, cultural items, invitations, programs, printed pieces, and any unique items you've put thought into!

CROWD MANAGEMENT:

It helps to have a designated friend who can proactively gather the groups so I can focus on creating beautiful photos! Usually this person knows the groups pretty well, they have a loud voice, and they can round people up with ease.

**THINK ABOUT GETTING A WOODEN
HANGER FOR YOUR DRESS. THEY PHOTO-
GRAPH WELL AND ARE GREAT KEEP-
SAKES FOR YEARS TO COME!**

THANKS FOR

TOGRAPHY.

A GEM TO WORK
WITH!”**

WHAT TO EXPECT:

LOCATION:

Add more personality to your photos by choosing the location of your session! Whether it's the local coffee shop or a local park where you first met your soon-to-be spouse, let us know if there is a place that is sentimental to you!

PAYMENT:

A 50% non-refundable deposit is required in order to secure your session. The remaining 50% of your balance is due one week prior to your session.

STYLE TIP:

While it is great to complement your future spouse in photos, by no means do the two of you need to wear matching outfits. Wear something that makes you feel comfortable and confident!

Bold colors and accessories photograph really well. If your other half is more comfortable in solid colors, try choosing something with a little texture. Patterns are a great way to add contrast to your images. Be creative and let your unique personality shine through!

SCHEDULING:

Weddings are usually booked at least 6 months in advance, while sessions are scheduled 3-4 months in advance. Cancellations and reschedules must be made via email or phone at least 48 hours prior to your session. Deposits are non-refundable.
